CERTIFICATIONS & TRAININGS

Certifications

- Claims Management & EOT — Planning Engineer FZE (2024)
- Cost Control for Construction Projects — Planning Engineer FZE (2022)
- Data Management & Planning Reporting — Planning Engineer FZE (2020)
- Primavera P6 Professional + Advanced Excel — Planning Engineer FZE (2017)
- NEBOSH IGC — TWI ME, Dubai (2017)
- IOSH Managing Safely — WISH Islamabad (2016)

Training & CPD

- Potential of Hydrogen as energy source for industry in Pakistan
- Construction using Digital Tools
- Service Leadership and Professional Ethics
- The Ideal way forward (Leadership)
- Overview of FIDIC Conditions of Contract
- Risk Assessment in Engineering Industry
- Elevate your Leadership Skills to Take your organization to next level
